The Spanish newspaper El País, a few years ago, defined it as one of the 35 Italian locations not to be missed. The BBC often dedicates reports and documentaries. It is no coincidence, then, that Barga (in the greenest heart of the province of Lucca) has for years been part of the exclusive club of the 'Most Beautiful Villages in Italy' and the Italian Touring Club has also awarded it the Orange Flag for the two-year period 2024 - 2025, that rewards inland Italian towns of less than 15 thousand inhabitants for the good care of their urban décor, important cultural resources and rich calendar of events. Barga is also a "Slow City" for its exclusive lifestyle.

Barga is a precious and rare diamond set in the most remote and lesser known Tuscany that alone is worth a trip to this splendid region for what its historic centre and its entire territory can offer in terms of good living and beauty.

This guide is for all those who want to get to know this rare diamond of Tuscany and experience the summer in Barga like Barghigiani by getting to know its deepest essence.

## AUGUST X: EVENING TRIBUTE TO PASCOLI

At Casa Pascoli music and poetry on the night of the 10th of August

The 10th of August is the night of the shooting stars; it is the night that Giovanni Pascoli (who spent the last, most productive years of his life in Castelvechio Pascoli) musically describes in the intense poem "X Agosto."

For thirty years on this date, the Giovanni Pascoli Foundation, Misericordia of Castelvechio and Municipality of Barga have organised the Homage Evening to Pascoli, enriched from year to year by the participation of great performers and excellent musicians to blend music and poetry in an unforgettable event.

The event will be hosted in its historic location, the magnificent garden of Casa Pascoli in Castelvechio, which will be transformed for one night into a stage lit by the stars and filled by the notes and voices of the performers.

Leading the audience in the enchantment of the evening tribute to Giovanni Pascoli, by narrating the most significant passages of Pascoli's works, will be a couple of well-known actors of Italian television and cinema: Massimo Ghini and Letizia Toni

The musical part will see the return of the musicians of Ensemble Le Muse and exceptional singers directed by Maestro Andrea Albertini, and the repertoire will offer an engaging selection of classical and contemporary music, with particular attention to the music of Giacomo Puccini.

The 2024 edition will be in fact be dedicated to the memory of the great composer Giacomo Puccini, as this year marks the centenary of his death.

The presenter and host, as always, will be the very talented Luca Scarlini (directed by Alessandro Bertolucci).

Why not stop by for a short while and discover the old town's slow flow of life, it will have you experience unique sensations.

It is not a casualty that this place just one year from its' opening has become among worldwide visitors a favourite place to visit within the castle walls.

The business is run by two ladies, mother and daughter, who have decided to offer Barga all their industriousness. Dalida Gonnella and Maruska, entrepreneurs of the latest generation, but by no means less prepared in offering their customers, professionalism, genuine hospitality and kind-heartedness.

## QUALITY COURTESY AND HOSPITALITY SINCE 1990

The Fratelli Lucchesi pastry shop was established 34 years ago. It is the only artisan pastry shop in Barga, but it is certainly never alone thanks to the large clientele that every day can enjoy fresh and delicious products baked directly from their laboratory.

The owners Paolo Lucchesi and Francesca Bacci, with their highly trained staff, produce brioche, pastries, sweet and savoury cakes, focaccia, pizzas, and sandwiches every day, using sourdough jealously preserved and maintained and selected prime ingredients that come mainly from the territory.

The best-known and most appreciated products, that over the years have also won various prizes in national competitions for professional pastry chefs, are the 'Befana di Barga', a typical biscuit with marzipan topping that is produced only in Barga in this way, chestnut shortbread, 'Barghigiani' biscuits, chocolates, panettone, pasimate and Easter cakes. One of the excellences is the chestnut panettone, that also won first prize in the national competition.

Under Paolo's supervision in the laboratory, there is also continuous research in new experiments and the use of local products. But at Pasticceria Lucchesi, it is not only the original things that are good and special, but also the more traditional ones like breakfast croissants and miniature pastries... Here everything tastes of the passion and love of their job and the special courtesy and hospitality you will always find here.

## IN THE MEDICI PARLOUR OF BARGA VECCHIA

It is one of the places that cannot be missed during your stay in Barga. It is in the Florentine parlour of Barga Vecchia where you can absorb the atmosphere of Medici Barga and enjoy the intense Barga summer. The Osteria, one of the most popular restaurants in town, is a place where visitors of all ages can enjoy the good life, good tastes and a relaxed atmosphere. The local people love this place, especially in the summer months when Piazza Angelio has a full programme of musical and many other events. It is a favourite place for all the artists that come to Barga; the ideal destination for visitors of Barga.

This is the place where you can find the slow “Barga” lifestyle and be welcomed by the owner Riccardo Negri and his friendly and lively staff.

Wine-bar, restaurant, a place for snacks and drinks with the adjacent lounge bar Angeli...O. The two external terraces offer an exclusive setting on the most intense square of Barga where you can watch the coming and going of people.

Here you feel at home where you can find good company, food and drink: simple dishes but a delight to the palate, that you can normally find in a Barga home. Last but not least an important wine cellar with mainly Lucca and Tuscan wines.

## THE ESSENCE OF BARGA IS SERVED

**L**a Loggia del Capretz is a bistro in the heart of Barga historic center.

This place has a long life: it was opened in 1870 by the Swiss family Capretz under its name. Today it is a space where the flavors of contemporary cuisine meet the roots of the territory. It is a bistro café where you can enjoy appetizers and delicious tapas; it is also a restaurant with a rich offer of first courses and meats; it is a corner of gastronomy with a careful choice of quality ingredients.

You can choose to sit in the internal rooms, in the 16th century loggia which once hosted the Barga market, or on the panoramic terrace where there is an epigraph dictated by the poet Giovanni Pascoli, who was a regular customer at Capretz.

At Capretz you can breathe art: the restaurant is a meeting point for many artists and during the year, here you can find the works of painters and sculptors from the local and international scene.

This is the right place to experience the essence of old Barga. The staff will make you feel at home.

## THE WELCOMING TRADITION, NATURE AND REFINEMENT

The agriturismo “I Cedri” is in Albiano, a lovely village of Barga, set between Lucca and the Garfagnana mountains one of the greenest and most luxuriant areas of Tuscany.

The residence is surrounded by olive groves and vineyards that cover 16 hectares of land.

In the centre of the estate there is Villa Mordini, built in 1711 even though the foundations date back to an earlier period.

“I Cedri” is an agritouristic complex composed of various rural houses all completely restored with care and passion.

“I Cedri” maintains absolute respect for tradition, guest privacy and provides all the necessary comforts to ensure a pleasant and relaxing stay.

Words cannot express the peace, tranquillity and magical serenity of this place as one walks through the olive groves, along the antique vineyards or by relaxing in the shade of the age-old trees, the great oak trees, the enormous sycamore, the monumental cedars of Lebanon planted in 1838 and placed at the antique entrance of the property.
